Telephone Conversation with David Veselka this afternoon. First he strongly complimented you on the courteous and well written letters you had sent to his parents and himself. Great Job!

Your recent letter stated his parents had told you he currently owned the property you had sent a change of address on. He stated he owns the property through a contract purchase and he is still making payments to his parents. On reviewing the three(3) claims addressed in your letter, I noticed he and his parents are listed as "and/or" owners. Explained claimants with a "vested interest" in the property could claim the water rights. He at this point has decided not to change the ownership, but leave in the three names. Nothing has been filed with the assessor at this point in time to show he is in sole ownership of the property. Will keep the form for future reference.

The additional claims listed above are irrigation claims in his name only. I sent copies to him today. I also confirmed he still has Box 35 in Indian Valley, so no address change is required.
