Re: Subcase No. 63-32348

Dear Mr. & Mrs. Peloquin

Enclosed please find the original document entitled "Standard Form 5 – Stipulated Elements of a Water Right" (commonly referred to as SF5) for the above referenced subcase nos. for Basin 63. I am returning this document because the Court requires that each of your initials be placed on the actual recommendation before it will accept the document for filing. Please initial **both pages** of the document entitled "Idaho Department of Water Resources Recommendation of Water Rights Acquired Under State Law" and then send the document back to my attention in the self addressed stamped envelope provided for your convenience.

If you have any questions regarding this process or the enclosed documents please do not hesitate to call me at 287-4814.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink that reads "Renea Ridgeway". The signature is written in a cursive, flowing style.
