Mr. W. N. Hansen, Watermaster
Water District No. 9
Howe, Idaho

Dear Mr. Hansen:

In checking over the Wendell and Lole Hansen application for the transfer of .7 cubic foot per second (or 35 inches) of June 1, 1891 water from Little Lost River, from Section 21, Township 9 North, Range 27 East, to lands in Section 30 and 19, Township 6 North, Range 29 East, we find the following:

Under date of July 23, 1917, Transfer of Water Right Certificate No. 204 was issued by this Department to J. K. Wines, transferring the above described water right from Badger Creek to the $\frac{1}{2}$ NE $\frac{1}{4}$ Section 21, Township 9 North, Range 27 East, with point of diversion in Section 18, Township 9 North, Range 27 East, to be diverted from Little Lost River.

Ten years later, the Decree in the case of Blaine County Canal Company, vs R. G. Mays, et al, comes along and decrees the same water to the same land, and gives the source of supply from Badger Creek.

Evidently the decree is in error in stating the supply from Badger Creek in place of Little Lost River. However, we do not have any record citing any correction to this supposed error in the decree. We thought that you might give us some explanation, or that you may have a court order correcting same, which we do not have.

Providing you have nothing of record, please furnish the Department with a statement to the effect, if correct, that said water right has been used and diverted on said lands, $\frac{1}{2}$ NE $\frac{1}{4}$ Section 21, since water right was transferred in 1917, or that the same was being diverted from Little Lost River instead of Badger Creek since and prior to the date of the last above stated decree, Blaine Canal Company vs. R. G. Mays, et al, Dated in 1927.

We notice that when you approved said application for transfer, you did not recommend any river channel loss for about 18 miles difference in place of use. I am not sufficiently familiar with the river loss to know whether there is a loss or not in that section of the river.

Thanking you for an early reply, we are

Very truly yours,
