Re: Carol Harrell, Brian Harrell

Brian talked to me last night, I said I would have you call.

- 1) Neither of them got a mailing.
- 2) T6N R29E 27 E ½ NE quarter (Miller Place).

Brian realizes he is short of water rights for the two pivots in the N ½ of section 27. The map on the GIS shows the missing 20 acres out of NWNE. He wishes the missing 20 acres were out of the NENE. However I got the idea that this may have been Allocation's doing rather than our doing.

His position is that all the water rights belong to him, so as much as possible should be allocated to the lands that belong to him, which are the west 240 acres of the north ½ of section 20. The NENE and the SESE still belong to Miller and Brian's position is that Miller never had any water rights.

From what I remember, this is correct; I think I looked once at trying to buy the Miller place. Billy Stauffer did irrigate it with Blaine County Canal water in the 1980's but I never understood it had its own water right.

Brian is working on transfers to fill in the blanks.
