Dear Mr. Ruberry:

By this letter I state that I have the authority to act on behalf of the United States, Department of Interior, Bureau of Land Management (U.S.D.I., BLM), with myself as its agent, to the matters discussed herein. I understand that Darryl Andreason wishes to transfer water under the above water rights from federal public property to land which he owns as private property. The federal public property legal descriptions are as follows:

T.10N, R.27E, S.28 SWSW (18 acres)
T.10N, R.27E, S.33 NENW (8 acres)

I understand that the Idaho Department of Water Resources cannot complete such a transfer of water under a water right without the notarized consent of the land owner where the water right describes land not owned by the transfer applicant.

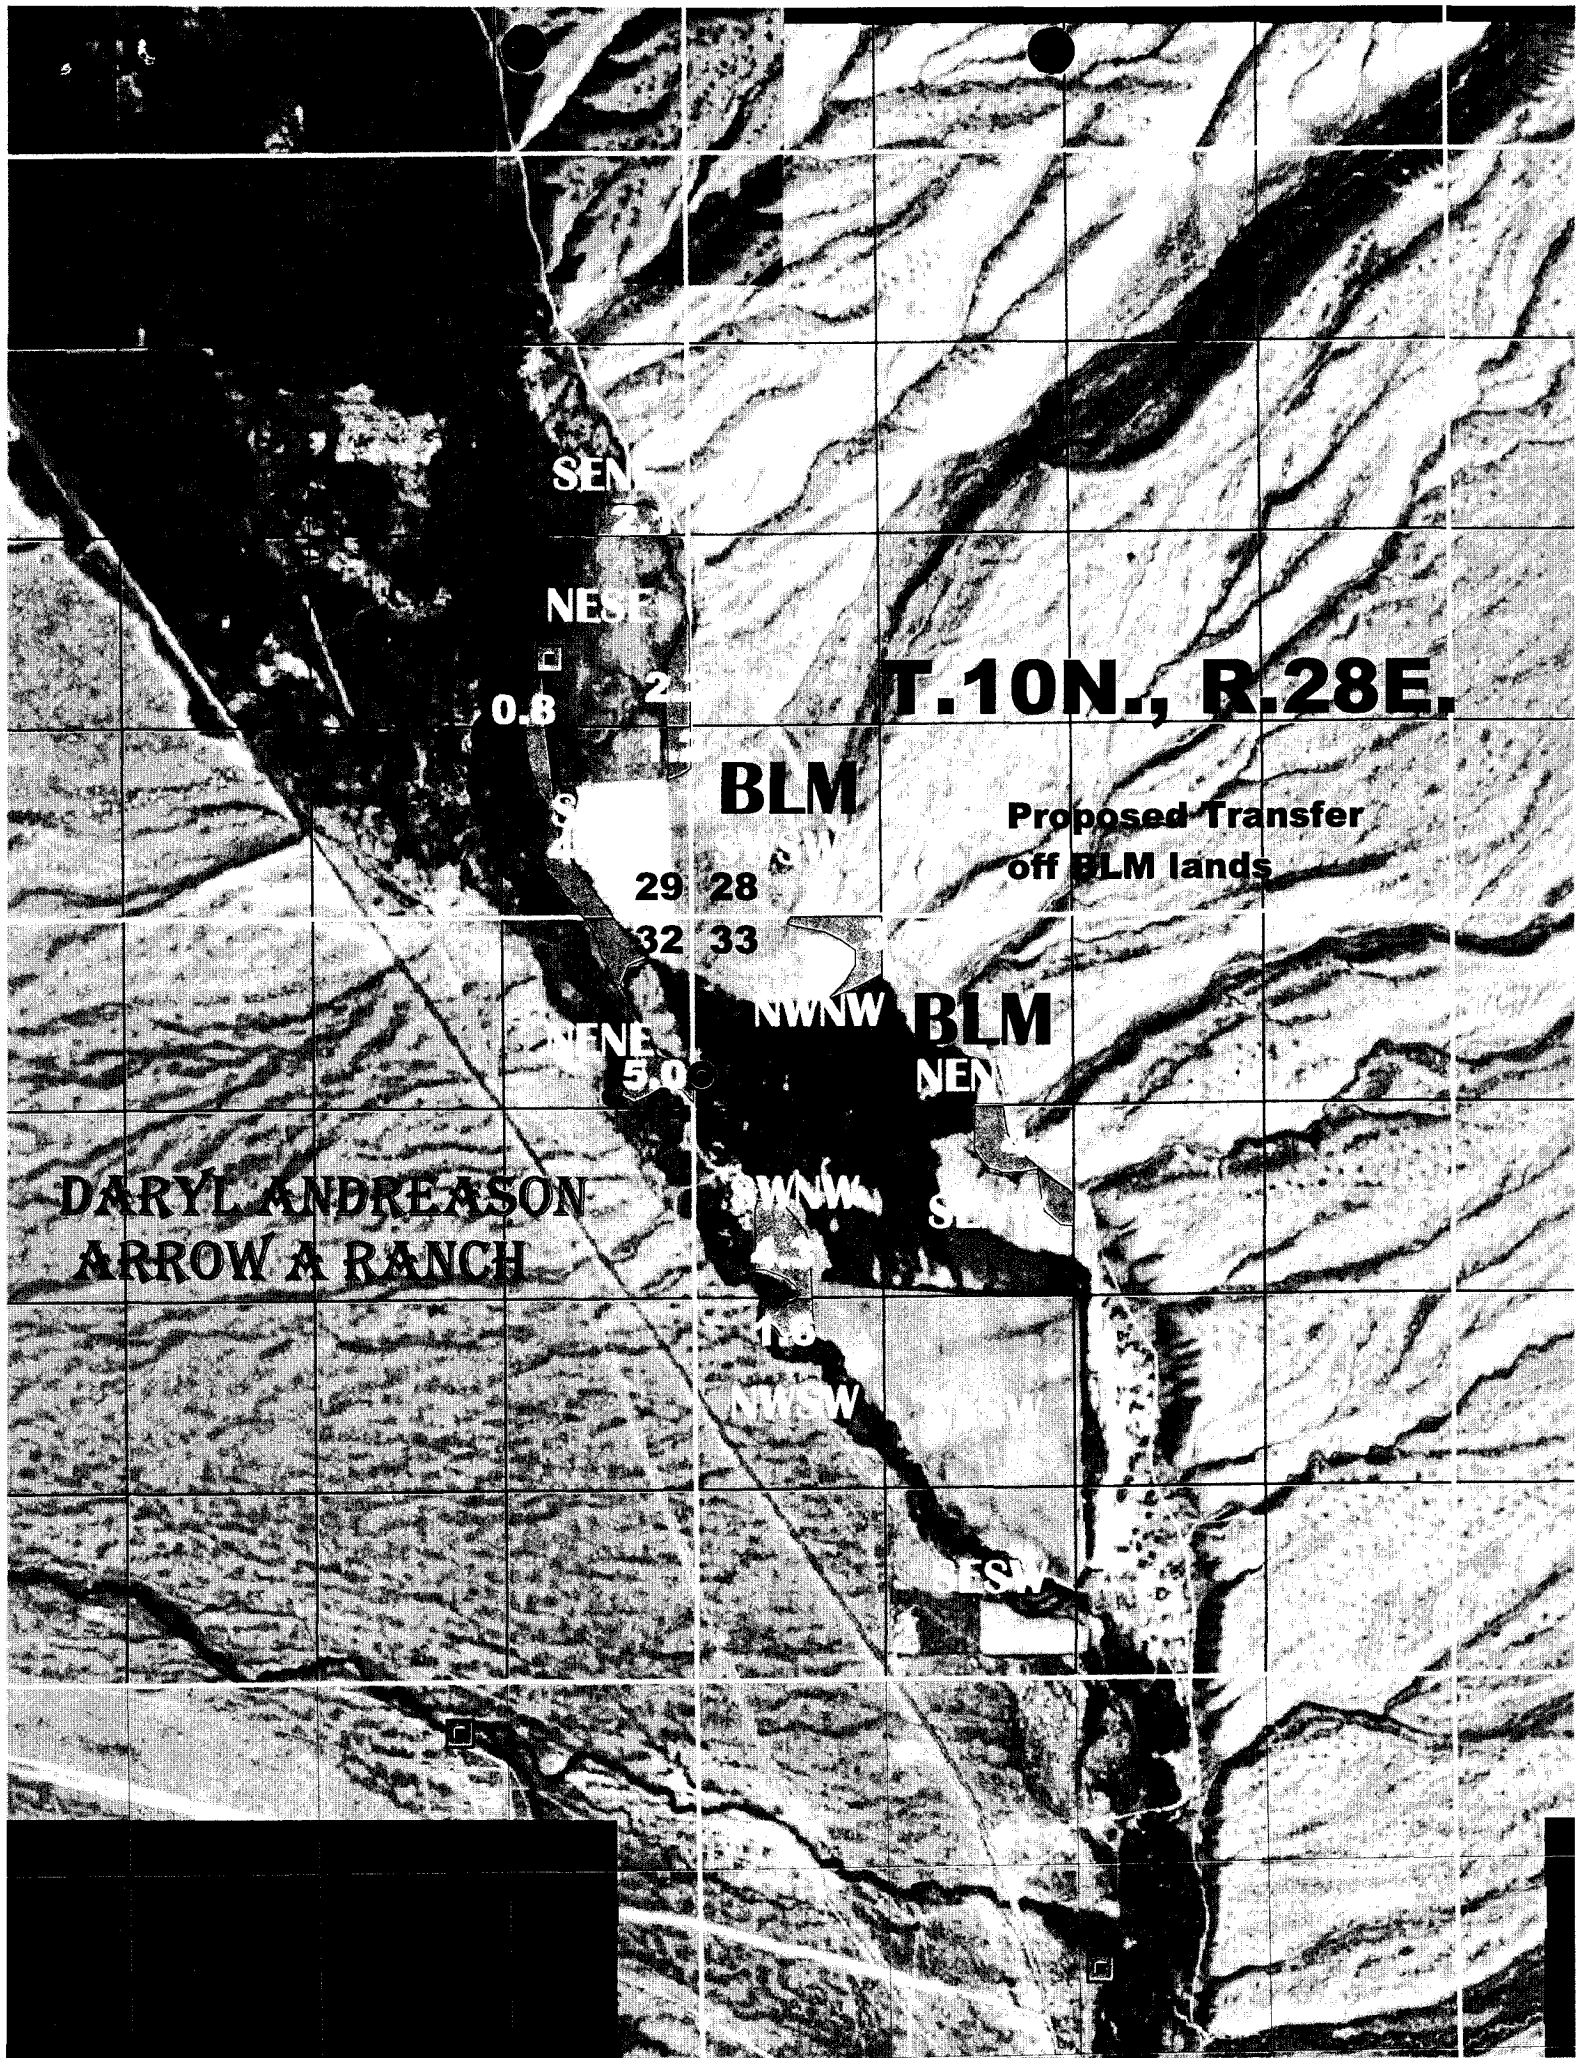

On behalf of the United States and the U.S.D.I., BLM, my notarized signature below provides the necessary consent to facilitate the transfer, which will result in the discontinuance of water being applied to federal public land. The United States' non-opposition to the application for transfer does not represent recognition by the United States of the claim elements nor their validity.

If there are questions regarding any statements above, please do not hesitate to contact Deena Teel at (208) 524-7533 or at the address provided above.

10/25/99 Spoke w/ DEENA TEEL (BLM). TOLD

RE: CORRECTION TO 7 JUNE 1994 LETTER, FEES FOR A33-02080

Dear Mr. Andreason:

The letter mailed to you dated 7 June 1994, contains a miscalculation for the filing fee for the above referenced adjudication claim. Since the acreage fee has been paid under your other claims, (ie; A33-00001A, A33-00095A, A33-00096A, and A33-00097A), receipt number E011650, it is not necessary to pay the \$124.00 acreage fee as indicated by the 7 June letter. Therefore, the total fees due for your irrigation well is \$50.00 late fee plus \$50.00 filing fee, totaling \$100.00.

I apologize for any inconvenience this may have caused you. Please feel free to contact me if you have any questions regarding this matter. My telephone number is 525-7161.

Respectfully submitted,

RE: SNAKE RIVER BASIN ADJUDICATION (SRBA) CLAIM A33-02080

Dear Mr. Andreason:

The above referenced water right is for your groundwater source which is used in conjunction with Little Lost River Decreed water rights. In review of your records we find that the filing fees for this water right have not been paid.

Be aware that water rights, other than domestic and stockwater, must be adjudicated by the court in the SRBA to remain valid. Failure to remit appropriate fees will be cause for initiating cancellation of the claim(s).

Before further processing of this claim can be done fees must be paid as follows:

A33-02080 Claim Fee	\$50.00
Late Filing Fee	\$50.00
Acreage Fee @ \$1.00/ac.	
(124 ac. X \$1.00)	\$124.00

TOTAL FEES DUE \$224.00

Without the proper filing fees being paid this adjudication claim will be recommended as **disapproved**. I will keep your Notice of Claim in my office for fifteen working days, or until June 29, 1994. If we have not received the appropriate fees or communications showing cause why these fees are not paid the Notice of Claim will be returned to you and canceled.

I have enclosed a copy of the Notice, as claimed, please review the Notice for accuracy. In a few instances modifications are made by the Department for clarity. Should you determine certain items need to be changed, make the necessary changes on the Notice and initial each change. Sign the Notice before a Notary and return it to this office with the appropriate filing fees as indicated above. Note the deadline date.
