Jennifer here is the answer to question concerning Mr. Thomas. Though he can execute a change of ownership for the partnership he submitted a change in address. I suggest changing the address only. Send him copies so the ball is in his court to submit the change in ownership.

One partner can transfer property held in the partnership name and partnership property held in the name of 1 partner can be transferred by the partner in whose name the property is held. So, Mr. Edwin Thomas can execute a change of ownership to change the name to himself and his wife.

Subject: Changes of Ownership

Candice, I have two ownership issues to discuss.

First, in Basin 33 there are a number of rights decreed to Triple T Summit Ranch, with Edwin C and Linda M Thomas listed below the Ranch name. An example is 33-112. Mr Thomas recently submitted a change of address and did not list Triple T as the holder of the rights. When Jennifer called to clarify what he wanted Mr. Thomas was in disbelief that the claims were in the name of the Ranch. However the file is full of documents he originated that clearly refer to Triple T Summit Ranch. Including a change of ownership both he and Linda signed. Mr. Thomas contends there is no such entity as Triple T Summit Ranch. Now the question is how does he get Triple T Summit Ranch removed from the water rights. There are letters in the file indicating Triple T was a partnership. However, I know that the other partner has moved on to green pastures and distanced himself from Mr. Thomas. To remove Triple T Summit Ranch from the water rights do we need documentation conveying the other parties interest in the partnership to Mr. Thomas? Or will deeds showing only Mr. and Mrs. Thomas as owners be sufficient?

Second, I need some guidance on three claims in basin 29, 29-10242, 29-7446 and 29-7253. In the mid 1990s the property under 29-7253 was sold to Gordon Yost and Terry Rindlisbaker. The deed conveys all three water rights to Rindlisbaker. No transfer has been filed so the water rights are still on the claimed place of use. We did receive a change of ownership from Rindlisbaker. Do we put his name on all three rights even though he does not own all the land?

I have shapes made on GIS to help explain this mess so we can use Netmeeting when you call.

Ernie

Re: SRBA Claims for Summit Ranch in B33

Dear Mr. Carlsen:

I have learned that additional measurements and fees remain pending respecting the Summit Ranch claims. In order to complete our applications, I request that Al Ruberry be permitted to take the necessary measurements this fall, as water flows are now suitable for this purpose. It would be convenient for us if Mr. Ruberry could complete these tasks in late September or early October, if possible. My partner, Mr. Bob Hadley, and I can be available at that time to provide any assistance that Mr. Ruberry may require.

Thanking you in advance for more of the excellent cooperation we have enjoyed from your office.

Sincerely,

Edwin C. Thomas, III
