AFFIDAVIT

14 June 1999

To Whom It May Concern:

This affidavit hereby acknowledges that I, Bryce A. Contor, have first hand knowledge of the irrigation practices and sources of water used on the Owen A. Romrell Farm located in section 28 and 33 of Township 6N Range 29 E, Butte County, Idaho.

I worked for Mr. Romrell or traded work and equipment with him periodically from 1981 to 1986 and every year from 1987 through 1992. I have kept in contact with the operation since then. During that time, and up to the present time, the following uses have been made of the wells located in 6N 29E 28 NWSW:

The wells open discharge into a ditch where the water can be co-mingled with water from the Blaine County Canal Company. The ditch continues south along the west section line of section 28.

A lift pump at about the mid point of the SW quarter supplies a buried mainline that runs east and west through the center of the south half of section 28. This mainline delivers water to sprinklers in the SW and the SE quarters of section 28.

The ditch continues south to the SW corner of section 28. From this ditch a pump supplies sprinklers on the NW quarter of section 33.

The ditch then continues east along the north section line of section 33. The NENE pivot corner of section 33 is surface irrigated from this ditch.

Respectfully Submitted,

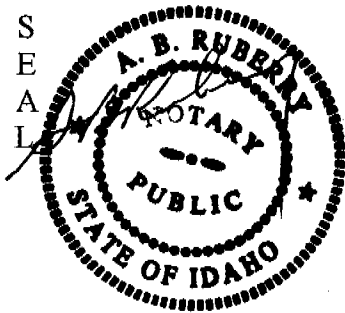

Bryce A. Contor
