Dear Mr. Seid;

Please find enclosed the map you brought into our office of the land for which you are filing "Notices of claims to Water Rights", your Washington County Tax Assessor's Notices, two copies of "Notices of Claims to Water Rights", which were either found during my research of your and Mr. Smith's land or which I generated claims, and blank forms for submittal of "Notice of Claim to Water Rights". I strongly suggest that you carefully peruse the enclosed information.

If you wish to make any changes please fill out the blank forms with the information as you want it reviewed in the Adjudication. For those claims you and Mr. Smith wish to submit, a signed and notarized copy of the "Notice of Claim to a Water Right" should be returned to this office.

Although we have often made ourselves available to assist you, your late attempts to submit your claims and your continued failure to be prompt or to appear for times we have discussed to complete your claims work indicates a lack of interest on your part to pursue the matter. We can no longer reserve time for your claims work during, which we could be assisting other claimants. However, you may wish to come into our office and wait until I have some free time or you may wish to seek assistance elsewhere.

Please have the documents submitted by February 15, 1990 or you may be subject to additional late fees. If you have any questions or concerns, please contact this office.
