Renumbered to Notice of Claim to a Water Right No. A67-00035B

Joseph L. &/or Pamela C. Pyle
3008 Goodrich Rd.
Cambridge, ID 83610

Dear Mr. and Mrs. Pyle:

We have received and processed a Change of Ownership for a portion of the original claim to a water right number as referenced above. This change of ownership required a split of the original claim resulting in renumbering this claim by adding alpha-suffixes to represent each split. The new notice of claim to a water right number for your portion is referenced above and a copy is enclosed.

Your portion of this claim has a specified point of diversion, nature of use and place of use. If you plan on changing the nature of use, place of use or point of diversion under this right, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. Please contact this office for further information on the application for transfer form. If you do not plan on changing any items on your claim, then no further action is required at this time. You will be notified of any future action taken on this claim.

If you have any questions concerning this letter or the enclosed claim, please feel free to contact this office.

RE: Notice of Claims to Water Rights in the Snake River Basin
Adjudication

Joseph L. and Pamela C. Pyle
3008 Goodrich Rd.
Cambridge, ID 83610

Dear Mr. and Mrs. Pyle:

We have reviewed the Notice of Change of Water Right Ownership that you submitted for the property you purchased from the Lakey's. In reviewing this form I found that I was not quite sure just what water rights were sold to you.

I found that Claim A67-00035 covers your property and the change in ownership form states that you should receive 2 inches of water. Does this mean that you have 2 acres of irrigation also? I will be happy to complete the ownership change on that right once I know how many acres you will be irrigating.

I also found Claims A67-07513 and A67-07073 may be appurtenant to your property. Claim No. A67-07513 is for heating use for one home, 19 trailers and a swimming pool. Do you heat your home with water from Lakey Hot Springs? If so, what amount of water under this claim should be transferred to your name? Claim No. A67-07073 is for domestic use for one home and a swimming pool. This claim diverts water from a 12" artesian well that was driven into a hot water spring. Should this claim also be transferred to your name? I have included copies of these claims and the maps that were submitted for your information. You may want to talk to Mr. Lakey and find out exactly which water rights he has sold to you with your property.

Please respond to the above questions so I can complete the ownership change in our records. If you have any questions regarding this, please do not hesitate to contact me.

Sincerely,

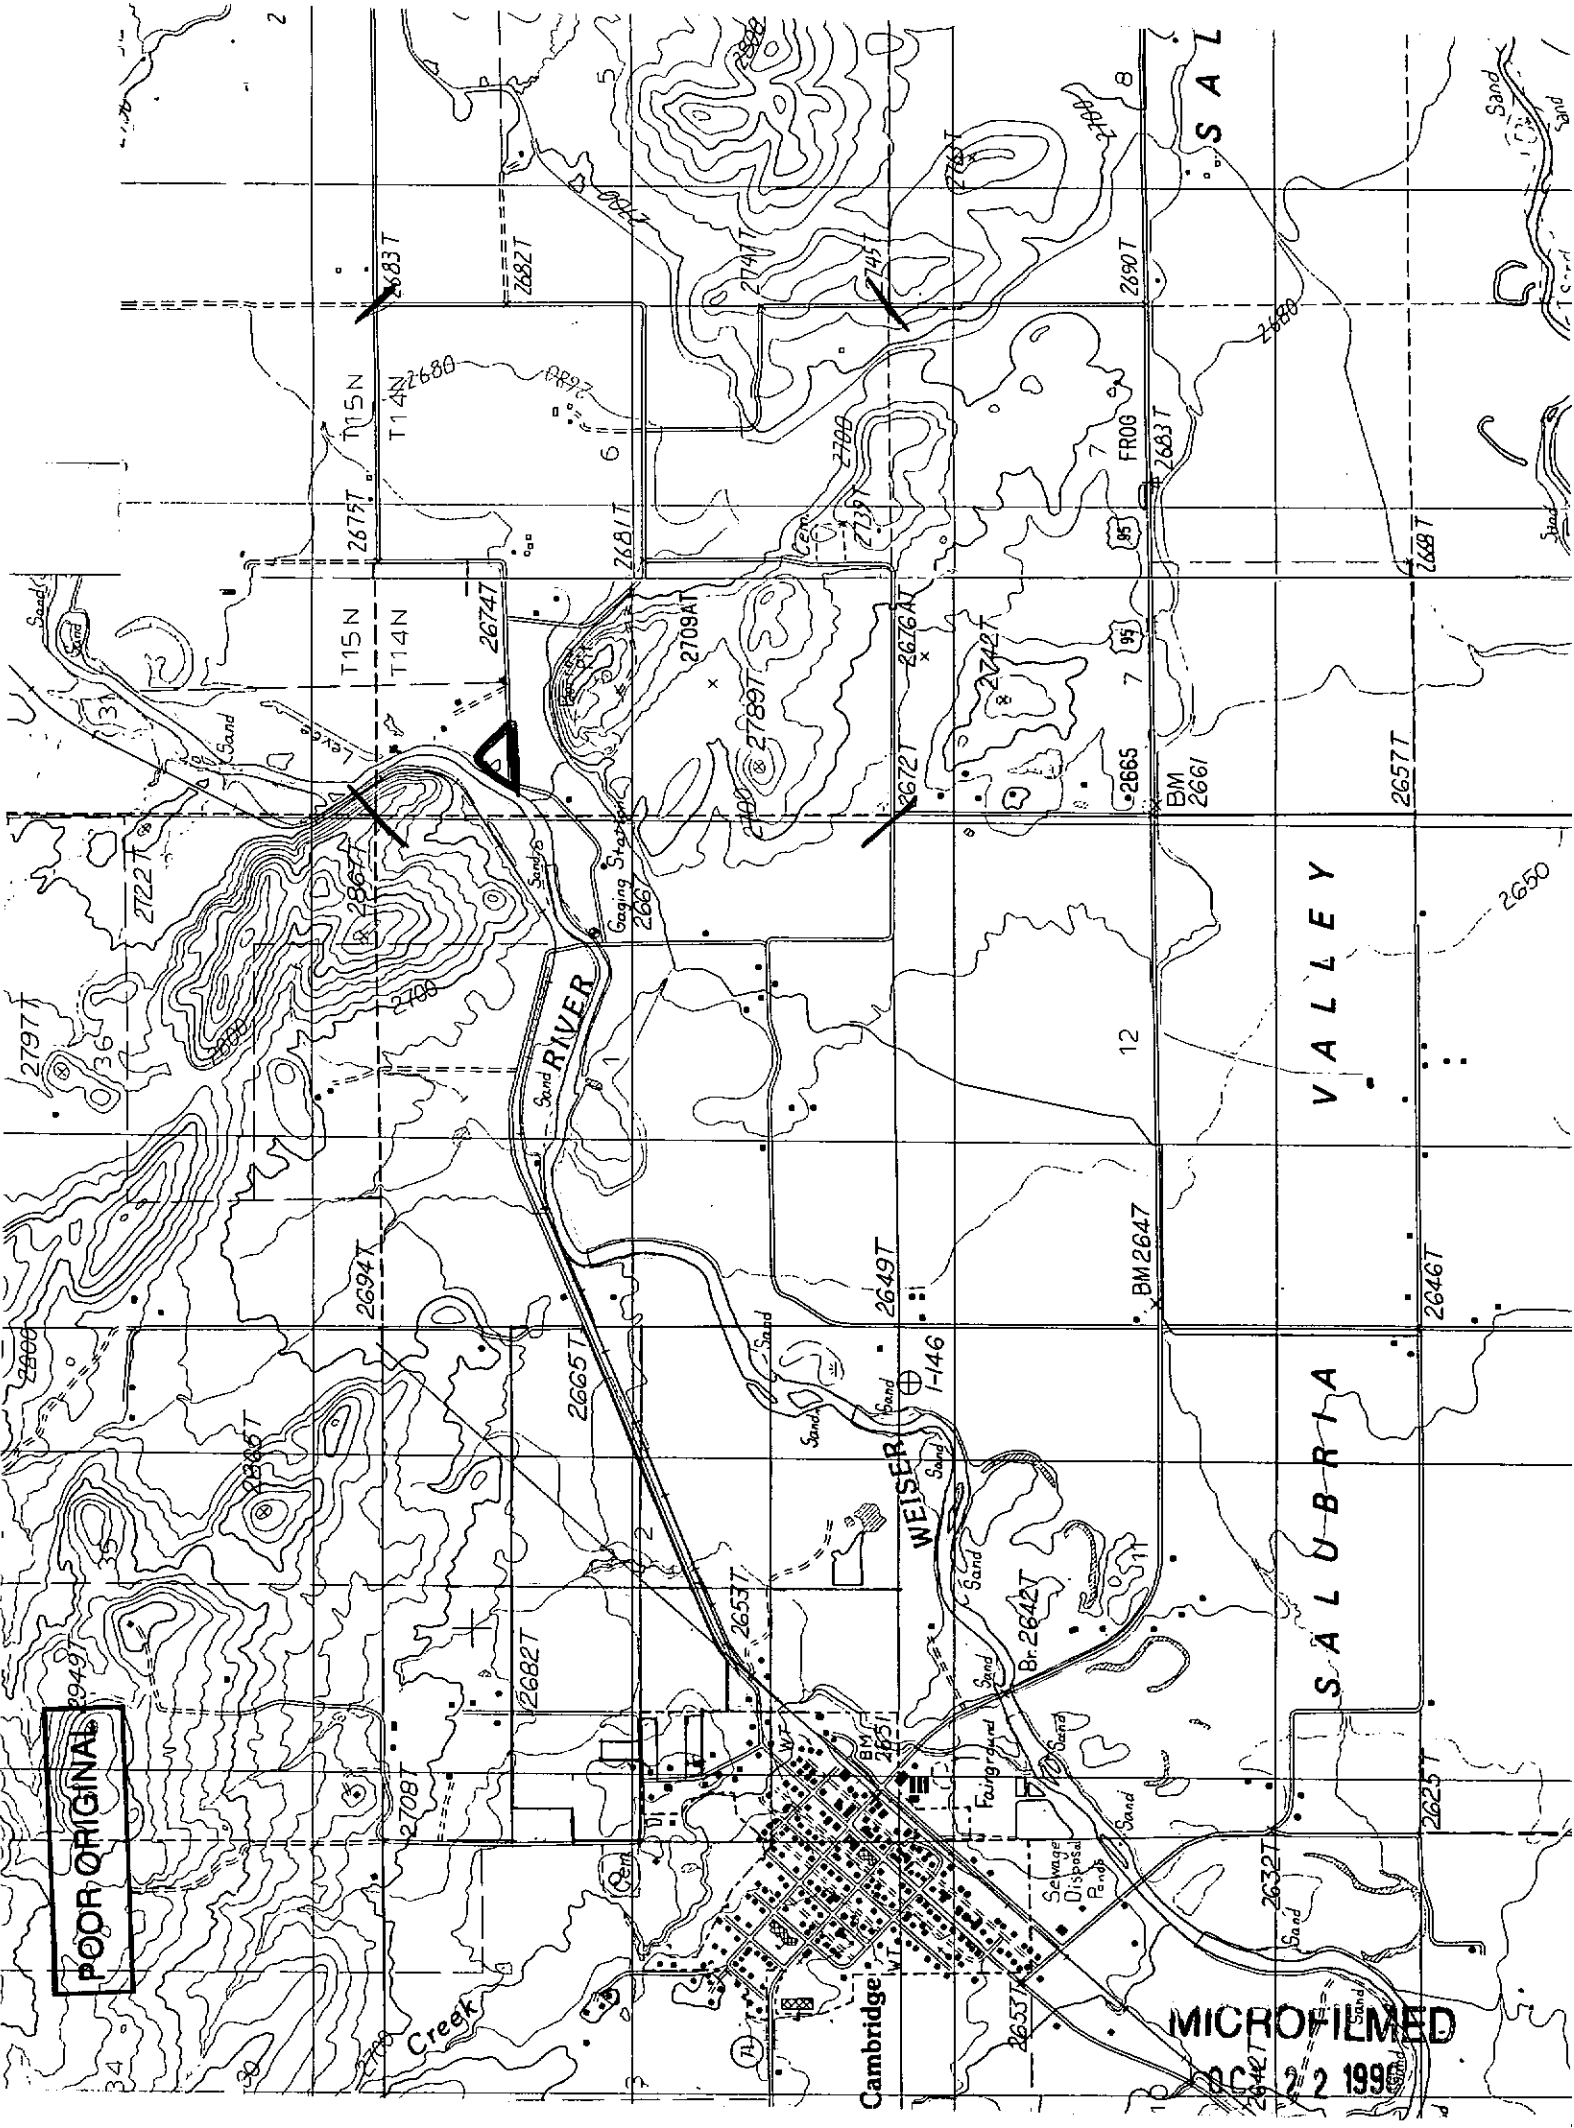

KAY WALKER
