AFFIDAVIT OF WATER USE

Dated this 3rd day of Oct., 1989

I, Don Daniels, previously owned the property that now belongs to Sharon Driessen. During the entire time that I was in possession of that property, from 11/64 to 2/77, I blocked off all of Monroe Creek, before it left my property and I used the water for irrigation. I did this in accordance with the Decreed Water Right that is filed and dated March 16, 1903.

According to the Decree attached, I had use of "all" of the water in Monroe Creek, and as did the owners prior to me, I blocked the water off and used it all.

There is not enough water in Monroe Creek to satisfy all of the Affidavits that were submitted when the Water Resource Board came in and started to adjudicate. The only Decreed water right on that end of the Creek takes precedence over any Affidavit submitted and it is my belief that because of the attached Decree, all of the water legally belongs to what is now the Sharon Driessen property.

Dear Claimants:

We have received and processed a Change of Ownership for a portion of the original Claim to a Water Right Number as referenced above. This Change of Ownership required a split of the original claim resulting in renumbering this claim, using a new water right number to represent each split. Your portion of this claim has a specified point of diversion, nature of use and place of use. If you plan on changing the nature of use, place of use, or point of diversion under this right, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. Please contact this office for further information on the Application for Transfer form. If you do not plan on changing any items on your claim, then no further action is required at this time. You will be notified of any future action taken on this claim.

Please note, the ownership has also been changed on claim numbers 67-636, 67-714, 67-715 and 67-716, and copies are enclosed for your records.

Please feel free to contact this office if you have any questions concerning your claim or this letter.
