RE: Source and Diversion Clarification

Fall Creek is actually tributary to the Weiser River drainage but has been historically diverted and decreed to lands in the Little Weiser River drainage.

The original ditch was built in 1883 and is still in use. A second ditch was attempted in the early 1900's but failed.

Bob Whitman once owned the majority of land that Fall Creek water is decreed to. He hired Bill Thomas many years ago to clean, maintain and regulate the original Fall Creek diversion dam and ditch. At 77 years old, Bill is still at it. On 7/25/02 Bill agreed to show Mike Bishop and myself the Fall Creek diversion and ditch site. From Bill's house, we drove up N Fk Grays Creek to the end of the road in the NESE S35 T15N R1EW. This is the beginning of N Fk Grays Creek and the end of the original man-made ditch used to divert Fall Creek water. From there, we hiked up the man-made ditch to the actual P/D, which consisted of a 4' rock dam used to block the water from flowing naturally into the Weiser River drainage. Instead, the water is diverted into the Little Weiser River drainage via the man-made ditch and N Fk Grays Creek.

The location of the P/D (beginning of the ditch) and end of the ditch were captured with a Garmin GPS unit and downloaded onto the King Hill Creek Topo map (T-58). Based on the GPS results, the actual source should be described as an unnamed stream tributary to Fall Creek. The unnamed stream is diverted into the ditch in the SWSWNW S36 T15N R1E. The ditch flows into the drainage for N Fk Grays Creek in the NESE S35 T15N R1E. Mystery solved.

NOTICE OF FILING DIRECTOR'S REPORT

DIRECTOR'S REPORT

This Director's Report Part II is a report by the Director of the Idaho Department of Water Resources (IDWR). It contains abstracts of claims by the United States and Indian Tribes to "non-consumptive" water rights (such as instream flows) throughout the Snake River Basin. The abstracts summarize the claims without substantively changing the water right as claimed. The Supplemental Director's Report Part II includes abstracts of claims not included in the Director's Report Part II. The supplemental report also includes abstracts of amended claims, which contain changes to claims previously abstracted in the Director's Report Part II.

The Director's Report Part III contains the claims filed for these water rights, and includes both the claim documents and maps. The Supplemental Director's Report Part III includes claims not included in the Director's Report Part III, as well as amended claims which contain changes to claims included in the Director's Report Part III.

Complete copies of Part II of the reports are available for inspections at all offices of IDWR and at the other locations printed on this notice. Complete copies of Part III of the reports are available for inspection at the State Office of IDWR and the SRBA District Court. Copies of all or a portion of the reports are available from the IDWR State Office subject to payments of costs of mailing and/or copying.

OBJECTIONS TO DIRECTOR'S REPORT

You may file an objection to any portion of the Director's Reports with the SRBA District Court. You must use a court approved objection form that is available from IDWR, which contains instructions for filing the objection. All objections must be received by the court on or before October 16, 1995. You must mail a copy of your objection to IDWR and the United States as shown on the objection form. If you are objecting to an abstract of a claim filed by an Indian tribe, you must also mail a copy of the objection to the tribe at the address shown in the report.

RESPONSES TO OBJECTIONS

The United States and the Indian Tribes may but are not required to file a response to an objection to abstracts of their claims with the SRBA District Court.

PARTIAL DECREE OF UNCONTESTED PORTIONS OF DIRECTOR'S REPORT

Those portions of the Director's Report to which no objections are filed will be decreed by the district court after a hearing to be held at 1:30 p.m., May 21, 1996 at the SRBA Courthouse in Twin Falls.

NOTICE OF FURTHER PROCEEDINGS

You will be mailed a notice of further proceedings on an objection to **your water right, your objection, or your response**. You will not be mailed notice of other objections or proceedings on other objections.

Notice of other objections and responses to other objections will be included on a monthly docket sheet distributed by the SRBA District Court. A subscription to the docket sheet may be obtained from the court for a small annual fee (\$7.50 for the calendar year 1995).

IDWR has filed or will file Director's Reports for all other claims within the Snake River Basin, one for each of the reporting areas in the Snake River Basin. Notice of the filing of these reports, and of further proceedings on these reports, will also be included in the docket sheet.

You may be affected by orders and decrees entered by the court in proceedings on other objections and proceeding on other reports. It is **very important that you subscribe to the docket sheet** if you wish to stay informed of these other proceedings. For further information as to documents filed with the court and hearings scheduled before the court in the SRBA, you must inquire at the SRBA District Court.

FURTHER INFORMATION

The court has adopted procedures for the post-report phase of the SRBA, which are set forth in the order of the court entitled "SRBA Administrative Order No. 1." A copy of this order can be obtained from the State Office of IDWR or the SRBA District Court.

If you have questions about the SRBA, please call any office of IDWR listed in this notice. If you have questions concerning your rights and responsibilities as a claimant in the SRBA, please consult your attorney.
