RE: From discussions with Mr. Henderson during
the "claims taking sessions" of 6-13-89 and
12-27-89 I get the impression that water
right 67-02105 is being used on the land
described in claim A67-10035, and not the
55 acres described in the amended version
of 67-02105A.

used. The lands claimed have not
been irrigated with Goodrich Creek
water for many years.
