Dear Sirs,

In 1985 we sold 200 acres
of our ground that included a
35 acre water right. I mentioned
that at the time I filed these water
rights.

We recently transferred 15 acres
to our daughter Lynn Johnson
described as follows -

Adams County State of Idaho Township 14N
Range 1W. Boise Meridian Section 36
That portion of the $5\frac{1}{2}$ of the NW $\frac{1}{4}$ - SW $\frac{1}{4}$
That lies west of the county road -
Includes 3 acre water right.
Contains approximately 15 acres -

MICROFILMED
OCT 22 1996

We still own the N $\frac{1}{2}$ - or NW $\frac{1}{4}$ SW $\frac{1}{4}$
That lies west of county road -
contains 1 acre water right -
IF This isn't clear please
contact me again.

Sincerely

Mrs William Beeder

Dear Claimant(s):

We have received and processed the Change of Ownership form submitted on the Original Notice of Claim to a Water Right Number as referenced above. This change of ownership required a split of this original claim resulting in the renumbering of the original claim by adding alpha suffixes to represent each split. The new Notice of Claim to a Water Right Number for your portion is referenced above. The right holders of the remaining portion have also been notified of this split and renumbering of their original claim.

Enclosed is a copy of this new claim which now reflects your portion of the original water right. RE: Snake River Basin Adjudication

Dear Mr. and Mrs. Reeder:

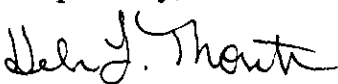

Enclosed is a copy of the computer-generated claim form for the Notice of Claim you filed. We have completed processing. Also enclosed is a receipt for the filing fees.

I have also enclosed a partially completed Notice of Change of Ownership form based on the correspondence we recently received regarding the transfer to your daughter of 3 acres of the irrigated land described in your claim. Please note that the claim includes stockwater and if you wish to transfer a portion of the stockwater use, you will need to note that on the change of ownership form. You will need to attach documentation to show proof of the property being conveyed to your daughter as noted on the change of ownership form. It may help eliminate problems if you also include a map clearly showing the irrigated acres and division of land; an ASCS map may be useful for this purpose.

Your daughter should complete the incomplete items (address, etc.) and sign the form. There is no filing fee associated with the submission of this form.

Please do not hesitate to call this office if you have any questions or need assistance. Please return the documents to this office.

Respectfully,

Helen L. Thornton
