Dear Claimant(s):

Enclosed is a copy of the above referenced claim(s), which reflects the change in ownership of the land and appurtenant water rights, covered under the original filing.

Please note that the enclosed Notice of Claim to a Water Right is not a determination of your water right. This claim was filed during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

Thank you again for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed claim(s), please feel free to contact this office.

Renumbered Notice of Claim to a Water Right No. 67-14274

Dear Claimants:

We have received and processed a Change of Ownership for a portion of the original Claim to a Water Right Number as referenced above. This Change of Ownership required a split of the original claim resulting in renumbering this claim, using a new water right number to represent each split. The new Notice of Claim to a Water Right number for your portion is referenced above and a copy is enclosed.

Your portion of this claim has a specified point of diversion, nature of use and place of use. If you plan on changing the nature of use, place of use, or point of diversion under this right, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. Please contact this office for further information on the Application for Transfer form. If you do not plan on changing any items on your claim, then no further action is required at this time. You will be notified of any future action taken on this claim. Also enclosed is a copy of the original claim for your reference.

Also indicated with this ownership change was claim number 67-00726, in which your portion has been renumbered to 67-14276. And, note that claim number 67-00727 has also been changed into your names. Copies are enclosed for your reference.

Please feel free to contact this office if you have any questions concerning your claim or this letter.
