Dear Mr. and Mrs. Wiessner:

On January 4, 2002, we received your notice of change of water right ownership for claim 67-2385. This water right is in the name of Little Weiser Irrigation District. When we recommend the right in the Snake River Basin Adjudication, it will be recommended in the name of the irrigation district and the water is to be used within the district's boundary. We do not split the right among the users in an irrigation district.

RE: SRBA Claim for Water Right No. 67-02385 (Ben Ross Reservoir)

Dear Mr. Ward:

Enclosed is a computer generated copy of a Notice of Claim to a Water Right for the above referenced water right. The information in the claim was obtained from the department's water right files, and the information supplied by you in our phone conversation on September 20, 1989.

Please review the claim for accuracy. If the claim is acceptable as presented, please have an authorized agent for the Little Weiser Irrigation District sign the claim form and have the signature notarized. The filing fee for the claim as presented consists of a \$50.00 flat fee, and a variable fee of \$1.00 per acre, or \$6042.00, for a total fee of \$6092.00.

If you wish to claim the water right in a manner that is different than what appears on the computer generated claim, a blank claim form is included. The total claim fee will be the \$50.00 flat fee, and a variable fee of \$1.00 per acre actually claimed as irrigated.

We do need to have a map showing the current boundaries of the irrigation district sent in with the claim.

If you have any questions, or would like to set up an appointment for individual assistance, please do not hesitate to contact this office.

Sincerely,

Carter Fritschle
Senior Water Resource Agent
