MEMO TO FILE

April 9, 2002

REF: OWNERSHIP CHANGES: 67-381, 67-390, 67-391, 67-392 & 67-4584

Agent: Ron Howerton *Rh*

I received an ownership change March 8, 2002 from a backlog of problem ownerships that was received at Western Region October 16, 1998.

Note to agent reviewing these claims for director's report:

- Maps were pre-prepared in a draft status in order to complete an ownership change. Agent review will be needed before final recommendations.

REVIEW OF OWNERSHIP CHANGE REQUEST:

The ownership change listed additional water right numbers, however...

- 67-318: (Doesn't apply) could have been a transposed typo, because I found an additional claim not listed on the ownership form, 67-381.
- 67-408: Ownership not changed nor transferred from Hornet Creek Storage Assn.
- 67-11212 (*Partial* ~~Parcel~~ decreed) ok to be changed at State office for stock water uses.

The legal descriptions described in the Warranty Deed from Moritz to Hastie do reflect enough evidence to change the ownership. The decreed claims, 67-381, 67-390, 67-391, 67-392 are ambiguous because the number of acres were not decreed. Statutory claim 67-4584 is also ambiguous in the number and location.

NOTE: I digitized draft maps for each claim, based upon the original owners map. (Filed in 67-381 file) A draft overlap map is also included. Specific information shown below:

- For prior decreed claims 67-390, 67-391 & 67-392: The number of acres in each $\frac{1}{4}$ $\frac{1}{4}$ tract varies, for the total 145 acres claimed. I have found 145 draft-irrigated acres.
- For prior decreed claim 67-381: The number of acres in each $\frac{1}{4}$ $\frac{1}{4}$ tract varies for the total 48 acres claimed. I have found 44 draft-irrigated acres. The SESW tract appeared to have been over claimed. (Again, digitizing the tract were specific to original claimants map)
- For claim 67-4584: The number of acres in each $\frac{1}{4}$ $\frac{1}{4}$ tract varies, for the 146 total acres claimed. I have found 146 draft-irrigated acres.
