Subj: OWNER CHANGES

I have a sense this process is causing some agony in your offices. The idea of getting together later this month is bouncing around, and a part of the agenda will include amendmennts to Chapter 14. One of those amend. is change of ownership. In tandem with the legislation, I would like to get a handle on what is causing the agony. My idea to accomplish this is for you to bring a couple of examples each to present to the group. Otherwise we talk in generalities and continue with the status quo of operation. Something is not right is obvious. Let's identify the something(s) and change it. Ideally, rather than hold the examples 'til we meet, try to solve the current headaches and rely on new ones coming in the door for examples. Thanx and see ya later.
