Subject: East Fork Ditch Claims

FIRKS & SKE WHAT
YOU THINK.

Hi Jan I assume you are now ahead of schedule and under buget, ha ha. Anyway, I was in Council for a meeting and field trip on July 12 for the hydropower application of a proposed powerplant using the East Fork Ditch. I was checking the Adj. claims for the East Fork Ditch, 67-11413, and 67-11416(flood flows) in relation to this power project, and noticed that the place of use showed no lands north of the Mill Creek road in Township 17N. The ditch company serves lands in 17N, so checked with them and we noticed an error in the place of use for these two claims.

The place of use for both claims should have the lands in Sections 25, 26, 34, 35, & 36 as being in T17N, R1W, not in T16N, R1W as shown on the claim in the data base. The other lands(Sections 1, 2, 3, 10, 11, 14, & 15) shown for T16N are correct.

Ken Ward with the ditch company checked this and called me today to verify the place of use. He also said that the 1990 mailing you did was correct, so it looks like someone failed to show T17N for these sections in the data base. Ken also said he thought the flow rate should be 16.78 cfs, but wasn't sure about that. He can be reached at his home in Council, at 253-6080 if you need to check with him.

I told him we would correct the data base and then the flow issue and anything else would be reviewed when you do the basin in 2003/2004.

Have a good day! Dan

Claims have been changed to show correct Township.

CLAIMANT'S NAME: Holcomb/Masters, E. Fork Ditch Co DATE: 10/11/1994
CITY: Adams (Janet Meyer, ~~677~~ 253-4242)
EMPLOYEE: M. Minicucci

I returned Ms. Meyer's call on Friday regarding ownership of decreed Rights Nos 67-00117 & 67-00139.

She stated that E-Fork Ditch owns the water Right & sells shares to water users. She will provide documentation to IDWR.

She also stated that the Holcombs do not have ditch water - the ditch is on the opposite side of the highway from their property. This corresponds with fact that decreed Rights were not decreed appurtenant to Holcombs' land. See corr. (10/05/1994) in file A67-11154.

RE: Notice of Claim to a Water Right No. A67-11413

Dear Ms. Meyer:

The claim referenced above was filed in the Snake River Basin Adjudication (SRBA) by East Fork Ditch Company LTD., as a combination of decreed right numbers 67-00109 through 67-00142. While researching a claim filed by another claimant, it was discovered that there have been duplicate claims filed on two of the decreed water rights. The two rights, 67-00117 and 67-00139 have also been claimed by a private party.

At this time we would like to clarify ownership of these water rights. Please submit documentation of your ownership of decreed water right numbers 67-00117 and 67-00139 to this office. The documentation should indicate if the ditch company has legal title (the water users have the right to the use of water represented by shares in the company) or if the water users have title and the ditch company just operates and maintains the water delivery system.

Proof of ownership of the water rights has also been requested from the other claimant who filed on 67-00117 and 67-00139. Although IDWR is not currently investigating SRBA claims in the Weiser River drainage, ownership of the water rights will have to be determined before these claims can be recommended to the court for decree. Please submit proof of ownership of the water rights at your earliest convenience.

If you have any questions or need additional information, please contact this office.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Maria Minicucci'. The signature is written in dark ink and is positioned above the printed name.
