INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Section 42-1409(7), Idaho Code. This statute provides that new property owners notify the Department of Water Resources (IDWR) of any change in ownership of a water right during an adjudication of water rights, and if a claim for the water right has not been filed to file the needed claim(s).

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. If you would like any of these brochures or if you have questions about completing this form please contact your nearest office of IDWR or you may call 1-800-451-4129 (toll-free).

The first line of the form asks for the date of closing so IDWR will have a record of the effective date of the property transfer.

The second line of information requires the legal description of the property being transferred. This information is **ESSENTIAL** and should be available from the documents that will be present at the time of closing. The first two lines of the legal description **MUST** be completed. IDWR's records are based upon legal descriptions using township, range, section and fractions of a section descriptions, and this information must be included on the form. If you also have available a legal description based upon a townsite or subdivision and lot and block number, please also include this additional information. A lot and block legal description is **NOT** a substitute for the township, range, section and fraction of a section description.

After completing the legal description, if all water is supplied by a public service water supply you may check the first box; complete the name, address and telephone information for yourself, the new owner; sign the form in the space provided and return the form to the IDWR office nearest you.

If there are water rights associated with the property, the seller should be able to provide you with the water right number(s). The water right number(s) for the property are to be put in the space provided at the second box on the form. If you or the seller believe there are water rights for the property but the numbers are unknown, then you may wish to call or come into an office of IDWR for assistance in identifying the water rights for the property involved. If claims for the property have not been filed you will be so advised by IDWR.

After the water right number(s) for the property has been entered on the form, complete the name and address information for **BOTH** the former owner/seller and for yourself, the new owner, in the spaces provided. Please also include your telephone number. If the property you have purchased is only part of the property owned by the former owner/seller, you may be purchasing only part of the total water right held by the seller. ~~This means the water right held by the seller must be split so you get your proportionate share of the water right.~~ Be sure to include a description of the portion of the water right you have purchased. The seller should be able to help you describe the portion of the water right for the property you have purchased.

If the former owner/seller will sign the form and the seller is shown as the claimant of the water right in IDWR's records, then you do not need to attach proof of ownership of the land or the water right. The seller should know if the original claim was filed by him, or if the seller has filed a change in ownership so the seller is shown as the claimant of the water right in IDWR's records. If the seller is not going to sign the form then you must attach some proof of ownership of the property described at the top of the form or proof of ownership referencing the specific water right(s) for the property.

The new owner must sign the form in the space provided. If the former owner/seller is available to sign the form please do so in the space provided.

When complete, the new owner and the former owner/seller should each retain one of the copies and return the original of the form to IDWR. You may return the form to the IDWR office nearest you or to: Idaho Department of Water Resources, Statehouse Mail, Boise, ID 83720-9000, Attention: Adjudication Bureau.

1. To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore
 promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay
 when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requir-
 ing any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit
 any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the
 character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

2. To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The
 amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and
 in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be
 released to Grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate
 any act done pursuant to such notice.

3. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Bene-
 ficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in
 any such action or proceeding in which Beneficiary or Trustee may appear.

4. To pay: at least ten days before delinquency all taxes and assessments affecting said property, when due, all encumbrances,
 charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees
 and expenses of this Trust. In addition to the payments due in accordance with the terms of the note hereby secured the Grantor
 shall at the option, and on demand of the Beneficiary, pay each month 1/12 of the estimated annual taxes, assessments, insurance
 premiums, maintenance and other charges upon the property, nevertheless in trust for Grantor's use and benefit and for the pay-
 ment by Beneficiary of any such items when due. Grantor's failure so to pay shall constitute a default under this trust.

5. To pay immediately and without demand all sums expended by Beneficiary or Trustee pursuant to the provisions hereof,
 with interest from date of expenditure at eight per cent per annum.

6. Should Grantor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without
 obligation so to do and without notice to or demand upon Grantor and without releasing Grantor from any obligation hereof, may:
 make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary
 or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding pur-
 porting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any
 encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such
 powers, or in enforcing this Deed of Trust by judicial foreclosure, pay necessary expenses, employ counsel and pay his reasonable
 fees.

B. It is mutually agreed that:

1. Any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof
 is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner
 and with the same effect as above provided for disposition of proceeds of fire or other insurance.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require
 prompt payment when due of all other sums so secured or to declare default for failure so to pay.

3. At any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and
 presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of
 the indebtedness secured hereby, Trustee may: reconvey all or any part of said property; consent to the making of any map or
 plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien
 or charge hereof.

4. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed
 and said note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty,
 the property then held hereunder. The recitals in any reconveyance executed under this deed of trust of any matters or facts
 shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons
 legally entitled thereto."

5. As additional security, Grantor hereby gives to and confers upon Beneficiary the right, power and authority, during the
 continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Grantor the right, prior to any
 default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and
 retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without
 notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security
 for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for
 or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses
 of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Bene-
 ficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and
 the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done
 pursuant to such notice.

6. Upon default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary. In the event of default, Beneficiary shall execute or cause the Trustee to execute a written notice of such default and of his election to cause to be sold the herein described property to satisfy the obligations hereof, and shall cause such notice to be recorded in the office of the recorder of each county wherein said real property or some part thereof is situated.

Notice of sale having been given as then required by law, and not less than the time then required by law having elapsed, Trustee, without demand on Grantor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee shall deliver to the purchaser its deed conveying the property so sold, but without any covenant or warranty express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Grantor, Trustee, or Beneficiary, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title and reasonable counsel fees in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at eight per cent per annum; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

7. This Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the holder and owner of the note secured hereby; or, if the note has been pledged, the pledgee thereof. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

8. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Grantor, Beneficiary or Trustee shall be a party unless brought by Trustee.

9. In the event of dissolution or resignation of the Trustee, the Beneficiary may substitute a trustee or trustees to execute the trust hereby created, and when any such substitution has been filed for record in the office of the Recorder of the county in which the property herein described is situated, it shall be conclusive evidence of the appointment of such trustee or trustees, and such new trustee or trustees shall succeed to all of the powers and duties of the trustee or trustees named herein.

Request is hereby made that a copy of any Notice of Default and a copy of any Notice of Sale hereunder be mailed to the Grantor at his address hereinbefore set forth.

Dear Ms. Strawn:

After reviewing our records and the change of water right ownership form that you submitted in December of 1993, I found that you had previously submitted a change of ownership on Rt. A67-11146 which was for a domestic well but you had not submitted a change of ownership form on the Spring Creek water right. The change of ownership requested in our letter of December of 1993 was for the Spring Creek right.

Enclosed, for your records, is a copy Claim to a Water Right No. A67-00239A which now shows you as the current owner of record. To avoid confusion, I have also enclosed a copy of Claim A67-11146 on the domestic well which you obtained from Mr. Stout.

The Department may contact you in the future if a question arises regarding your Notices of Claim. If you have any questions in regard to your claims, please do not hesitate to contact our office.
