Re: Notice of Claim to a Water Right No. 67-416

Dear Claimant(s):

Enclosed is a copy of the above referenced claim(s), which reflects the change in ownership of the land and appurtenant water rights, covered under the original filing.

Please note that the enclosed Notice of Claim to a Water Right is not a determination of your water right. This claim was filed during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

Please note the ownership change information has also been sent to our State Office to process water right number 67-11366, as it has already been decreed by the SRBA Court.

Thank you for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed claim(s), please feel free to contact this office.

Sincerely,

Denise Hatfield
