Change of Address

Dear Water Right Holder:

*Records changed, NCAP prepared
- 5-21-99*

IDWR has been notified the address presently in our records is incorrect. Although we have reached you at the address above, we need your written confirmation this is your correct mailing address before we can change our records. Future notices related to your water right can be sent only to the address on your water right or as otherwise changed by you.

Please sign your name at the bottom of this letter and return it to this office. Make corrections to your name and address if necessary and list any other water rights you may have before returning this letter by May 17, 1999. Thank you for your help.

If your mail delivery address changes in any form, please contact us in writing so we can update our records.

If there has been a change in ownership of the property connected with the water right referenced above, please write down the name and address of the new owner(s) so we can send them a form to make this required change to the water right record.

Sincerely,

Sally Sherman
Technical Records Specialist

MEMORANDUM

Steve ✓
Jan ✓
Gary ✓

DATE: 9/12/2002

FROM: Lori Graves

TO: Steve Lester, Jan Shurte, Gary Spackman

RE: Little Weiser Irrigation District Complaint

Isaac Ward, representing the Little Weiser Irrigation District, called to complain that five separate individuals were "spreading" river water on acres that have not been historically irrigated. I met with Isaac at the Indian Creek Store 8/22/02, where he identified the specific acres on associated maps that I had brought. After researching the problem, I found that the landowners had included the additional acres on their decreed rights.

As Isaac pointed out, the expanded acres should not be allowed the same priority as the original decreed acres. Because specific acres were not identified in the Allison/Muir decree, Gary Spackman stated that the PPUs claimed should be limited to the duty of water decreed, which was 5/8ths inch/acre. Jan Shurte stated that at the time of claims taking, listing PPUs was allowed. Now a separate beneficial use claim is required for expanded acres, with the date of priority being the time of the expansion rather than the decree date. This right, when combined with the decreed right, cannot exceed the decreed flow rate for the original acres.

The following is a list of individuals and their associated rights that include expanded acres:

Name	Right	Decreed Inches	Duty of Water (5/8"/ac)
Tom Grossen	67-427	97	155
	67-432	45	72
	67-436B	19.5	<u>31</u>
Totals Acres Decreed			258
Total Acres Claimed			<u>484</u>
Expanded Acres			226
Alvin Legg	67-431	85	136
	67-469	34	54
	67-471	14	<u>22</u>
Total Acres Decreed			212
Total Acres Claimed			<u>238</u>
Expanded Acres			26

Richard Kretten	67-429	35	<u>56</u>
Total Acres Decreed			56
Total Acres Claimed			<u>80</u>
Expanded Acres			24
 David Wells	 67-439	 17	 <u>27</u>
Total Acres Decreed			27
Total Acres Claimed			<u>152</u>
Expanded Acres			125
 Russell Wilkerson	 67-482	 25	 40
	67-489	80	<u>131</u>
Total Acres Decreed			171
Total Acres Claimed			<u>196</u>
Expanded Acres			25

To resolve the Irrigation District's complaint, separate beneficial use claims need to be filed on ~426 expanded acres before the 2003 irrigation season. I will coordinate this claims taking process with SRBA staff ASAP.
