Change of Ownership

Dear Ms. Sheldon:

We are in receipt of the change of ownership for the claims to a water right referenced above. These rights were determined from the legal description supplied on the warranty deed. In reviewing the change form and the warranty deed submitted, it appears that you do not own all of the lands to which the claims were filed.

Claims A67-00458A and A67-00496A are totally included in the legal description supplied on the deed. Copies are enclosed for your review.

Claims A67-10364 and A67-04580 are not described in their entirety on the deed. These two claims have been split to reflect the lands described on the deed, and are now numbered with the suffix A and B. Please review them carefully and if they do not appear to represent the water rights you acquired in the purchase, you will need to contact this office and supply additional documentation to show your portion of the rights. You have been assigned the numbers A67-10364B and A67-04580B. The remaining portions of these two rights have been assigned A67-10364A and A67-04580A and remain in the name of Don and Ester Moritz.

If the enclosed does reflect your water rights, please retain the copies for your records. If it does not, please
