Dear Mr. Maddox:

We are forwarding to you computer-generated copies of the Notices of Claim which you filed for your property in Washington County.

We have interpreted the data from your claims and have made some minor modifications which we feel more accurately describe your water rights. The items that were modified are highlighted. Please review the enclosed forms to assure that these modifications are in agreement with your water rights.

On Claim #A67-02019 at Item #8, the amount you have listed for consumptive use for your water right may be inaccurate. Using the chart in the instruction booklet (page 15), and based on your legal description, the Department suggests 3.5 acre feet per acre per annum. You are claiming 10 acres of irrigated land; therefore, your consumptive use would be 35.0 acre feet per annum. If this does not agree with your actual usage, please explain at Item #14, "Remarks".

If you agree that all the modifications are correct as indicated, you do not have to return the forms. However, if you feel we have misinterpreted any claim, and you make any changes to the Notice of Claim form, you must initial the changes you make, sign the form before a notary public and return the claim and a copy of this letter to:

Western Region Office
2735 Airport Way
Boise, Idaho 83705
(208) 334-2190

Please make these corrections before November 29, 1990. Do not hesitate to contact this office, or our Western Region Office, if you have any questions about the modifications.
