Re: Jones Corp SF5s

Dear Paul:

Enclosed please find the original documents entitled "Standard Form 5 -- Stipulated Elements of a Water Right" (commonly referred to as SF 5) for the above referenced subcase nos. for Basin 47.

Please review the new recommendations which are attached to the original SF 5 documents. If all the information is correct, please sign and date the first page of the original and initial the page entitled "Recommendation of Water Rights Acquired Under State Law." After you have signed and initialed the original, **please return the documents to our office.** I will gather the remaining signatures and make sure the documents are subsequently filed with the Court.

If you have any questions regarding this process or the enclosed documents please do not hesitate to call me at 287-4814.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink, reading "Renea Ridgeway".

STANDARD FORM 5

**STIPULATED ELEMENTS OF A
WATER RIGHT**

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.
