Idaho Department of Water Resources

RE: Withdrawal of Application for Transfer, No. 71091, in the Name of Triangle B Ranch.

Dear Sharla:

This letter is to serve as a formal withdrawal of Transfer No. 71091, which purported to change some elements of Water Right No. 21-106A and 21-146. The issue which precipitated the Application for Transfer has now been resolved, and the transfer is no longer needed.

In addition, we have enclosed a copy of a Notice of Change of Water Right Ownership filed with the Department in November of 2005. The names were changed from Triangle B Ranch to RLF I LLC, RLF II LLC, RLF III LLC, and RLF IV LLC, with regards to Water Right Nos. 21-93, 21-145, and 21-146. The ownership of 21-106A, whoever, was not finalized, and the notation from Jennifer Crabtree was that she was waiting for the transfer to be finalized. Water Right No. 21-106A is in the final stages of receiving a Partial Decree in the Snake River Basin Adjudication. We would like the Partial Decree to have the RLF name listed as one of its current owners, and therefore request that any administrative action that needs to be taken with regards to this particular water right be made.

If you have any questions, please let me know. I have visited with Ernie regarding this matter, and he is familiar with this issue. We very much appreciate your assistance in this matter.

Best Regards,

Robert L. Harris
