	)	(74-2047H), Motion to File Amended
	)	Claim (74-2047H), and Motion for Leave
	)	to File Late Objection (74-2074B)

I, Josephine P. Beeman, after first being duly sworn upon oath, state that I am over 18 years of age and that the following is true and correct to the best of my knowledge and belief:

2. The Motions regarding the late Objection to 74-2047H and Amended Claim 74-2047H were filed with the SRBA court on October 22, 2008. Each motion stated that a supporting memorandum would be filed within 14 days. November 5, 2008 is 14 days from October 22, 2008.

3. Subsequent to the filings for 74-2047H which relate to a water right from the Lemhi River, I decided that an Objection to the disallowal of 74-2074B, even though it was from Kirtley Creek and is not the source of irrigation water for the Bonuccelli property, would be appropriate to more fully document that 74-2074B was a misnumbered claim for shares in the Mormon ditch associated with water right 74-2047B.

4. The Motion regarding the late Objection to 74-2074B was filed with the SRBA court on October 28, 2008. The Motion stated that the Memorandum would be filed no later than November 4 (an error in calculation of the Wednesday, November 5 deadline regarding 74-2047H). This deadline was chosen in order to coordinate the preparation of a single memorandum explaining the complicated facts of Vergil Olson's disallowed SRBA claims 74-2047H and 74-2074B, all affecting irrigation for the Bonuccelli property.

5. The Memorandum deadline for the Motion to file late Objection 74-2074B would otherwise have been Tuesday November 11, 2008.

6. The final preparation of the Memorandum exceeded my allocation of time to meet the November 5, 2008 deadline for the 74-2047H Motions. However, the Memorandum is still within the 14 day deadline that would have otherwise applied to 74-2074B Motion.

7. The Motion for an Order allowing the Memorandum to be filed one day late is made with all necessary apologies to the Court and with the understanding that deadlines must be honored as the foundation for the due process guarantees of our judicial system.

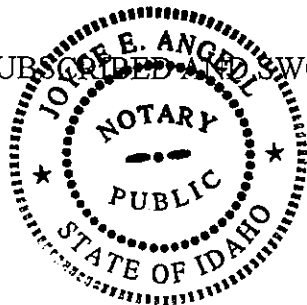

8. The hearing on these three motions is November 20, and it is my belief that the time it has taken to prepare the Memorandum will be of great benefit to those who must evaluate the merit of the Motions, and that the one day delay is not prejudicial in this context.

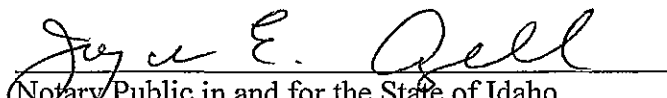

FURTHER YOUR AFFIANT SAYETH NAUGHT.

DATED this 6TH day of November 2008.
