Re: *City of Blackfoot, Subcase No. 27-4153*

Dear Sally:

As you requested, enclosed is a copy of the SF5 for Subcase No. 27-4153 from our file. Unfortunately, I don't think our copy is much better than the one you already have. I am also sending you a copy of the SF5 before it was signed by Ernest Carlsen and Candice McHugh. The attachment to this copy is much clearer, so hopefully between these two copies, you will have enough information for your file.

Please call me if there is anything else we can do to help. My direct dial is 388-1227.

Sincerely,

Caralea Hopingardner
Legal Assistant to Christopher H. Meyer

Subcase No. 27-4153

Case No. 39576

STANDARD FORM 5

STIPULATED ELEMENTS OF A WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.
