Re: Subcase Nos. 63-2256, 63-2711, 63-02938, 63-28282

Dear Mr. Vastine:

Enclosed please find the original documents entitled "Standard Form 5 – Stipulated Elements of a Water Right" (commonly referred to as SF5) for the above referenced subcase nos. for Basin 63. I am returning this document because the Court will require that each of your initials is placed on *each* page of the actual recommendation before it will accept the document for filing. I apologize if I did not make myself clear when we spoke on the telephone. It has been noted that the attorney for the objector did not initial the documents correctly either and so once I receive these documents back from you I will forward them onto her. This will help ensure the proper filing with the Court,

If you have any questions regarding this process or the enclosed documents please do not hesitate to call me at 287-4814.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink that reads "Renea Ridgeway". The signature is fluid and cursive, with the first name "Renea" and last name "Ridgeway" clearly distinguishable.
