

DEPARTMENT OF
WATER RESOURCES

II. STANDARD OF REVIEW

A *Partial Decree* for this right was issued January 15, 1998 and an *Order Amending Partial Decree* was filed December 14, 2001. *Motions to Set Aside Partial Decree* may be considered under Idaho Rule of Civil Procedure 60(a) or 60(b). I.R.C.P. 60(a) allows a court to correct clerical errors.

There was no dispute that the *Partial Decree* and *Order Amending Partial Decree* contained a clerical error in the legal description for the point of diversion. The *Amended Director's Report* issued August 6, 2008 corrects the legal description, and no *Objections* were filed to the *Amended Director's Report*.

III. CONCLUSIONS AND RECOMMENDATIONS

Therefore, based on the file and record herein, IT IS RECOMMENDED that the *Motion to Set Aside Partial Decree* be **granted**. Accordingly, this water right should be **decreed** with the elements set forth in the attached *Special Master's Recommendation for Amended Partial Decree*. The recommended elements are consistent with the *Amended Director's Report*.

Dated: December 9, 2008.
