Re: Snake River Basin Adjudication (SRBA)
Claim(s): 24-4076 and 24-4077

Subject: Evidence of Priority Date

COPY

Response Date: 14 December 2005

Dear Claimant(s):

Thank you for your response to our previous letters concerning documentation covering the above two claims. We have reviewed the documents you have supplied. However, the evidence presented does not support the claimed priority date of September 30, 1901.

When more than one priority date is pertinent to the property claimed, the most junior priority date must be used. Otherwise, the claim will have to be split.

Documentation for Claim 24-4076 supports two priority dates, December 15, 1902 and June 3, 1913. In order to process the claim the junior priority date will be used, June 3, 1913.

Documentation for Claim 24-4077 supports three priority dates, December 15, 1902, September 1, 1910 and December 31, 1930. In order to process the claim the junior priority date will be used, December 31, 1930.

If you desire you can call and make an appointment with Agent Cindy Bird to discuss options. If we do not receive your response by the date shown above, we will process the claims using the junior priority dates.

If you have any questions please feel free to contact us at 547-3993.

Respectfully,

Barbara Payne
