

November 4, 2008

Clerk of District Court
Snake River Basin Adjudication
Twin Falls, ID 83304-2707

I wrote to you in April 2008, requesting the point of diversion and place of use be corrected on my water right 74-445. The correct point of diversion is T. 21 N., R. 23 E., S. 30, NE1/4, SW1/4. The correct place of use is T. 21 N., R. 22 E., S. 08, NW1/4, NE1/4.

I received a letter from your office dated September 23, 2008 (copy enclosed) which indicated you approved my request. However, the corrections were not made on water right 74-445.

Would you please make the corrections on water right 74-445 as I have indicated in pencil on the enclosed copy.

You may contact my daughter, Linda Matthews, in Boise at 208-331-1104 if you have any questions.

Sincerely,

M. Mae Miller
