RE: Snake River Basin Adjudication (SRBA) Claim No. 78-12345

Dear Tana and Inez:

Enclosed is a copy of a GIS layout (map) depicting the portion of your property that utilizes the waste water that flows onto your property from the adjoining property to the east. During the field visit last August, Tana showed me seven locations where waste water was captured by your ditch and distributed to your field. Tana also pointed out the area in which the waste water could be applied to the land.

The seven locations where the waste water enters your ditch are shown on the GIS layout as points of diversion (POD) and the yellow line is an attempt to outline the place of use for the water. The area outlined is approximately 106 acres. Because the original claim only listed three points of diversion and 80 acres for the place of use, I have included a draft amended claim for your review that includes the seven points of diversion and 106 acres. If you wish to include the extra points of diversion and acres, please sign the amended claim and return it to my attention at the following address:

Idaho Department of Water Resources
322 E Front St
PO Box 83720
Boise ID 83720-0098

There will be no additional filing fees if you wish to amend your claim to reflect the elements as shown. If you have any questions, you may contact me by phone at (208) 287-4917 or my email address is Carter.Fritschle@idwr.Idaho.gov.

Sincerely,

Carter Fritschle
