Case No. 38756) SUBCASE NO. 63-31058
_____) AFFIDAVIT OF DOUG HUNT IN SUPPORT OF
MOTION TO FILE AMENDED CLAIM

STATE OF IDAHO)
COUNTY OF ADA) ss

DOUG HUNT, being first duly sworn upon his oath, deposes and says that:

1. I make this affidavit based upon my own personal knowledge and belief of the facts contained herein.
2. I am currently the manager of the Terteling Ranch, owned in part by The Terteling Company, Inc., the claimant to water right no. 63-31058 and other water rights, and make this affidavit in that capacity. In my capacity as ranch manager, I actively manage the day to day irrigation, livestock ranching, and farming activities on properties owned by The Terteling Company, Inc.
3. I first began working for The Terteling Company, Inc. when I was hired as a ranch hand/construction worker in 1975. I worked for The Terteling Company, Inc. in that capacity until approximately 1981. I then worked for The Terteling Company, Inc. on and off until

I was hired as the ranch manager in 2000.

4. During my time with The Terteling Company, Inc., I ran cattle on the upper Terteling ranch where water right no. 63-31058, and observed that surface water from Stewart Gulch was consistently diverted and used from the diversions claimed under water right no. 63-31058 for irrigation when it was available - during the spring and early summer. Such surface water has consistently been used for irrigation during my tenure on the Terteling Ranch - primarily to provide pasture for cattle, although I have cut hay from various fields on the upper ranch that have been irrigated by Stewart Gulch water.

Further your affiant sayeth naught.

Doug Hunt
