RE: SRBA Subcase No. 63-30175 (Roche)

Dear Special Master Booth:

A *Motion to File Amended Notice of Claim* was filed on September 12, 2008. An *Amended Notice of Claim* was filed with the SRBA Court simultaneously. It appears that the *Amended Notice of Claim* filed with the Court, and the copy received by the Idaho Department of Water Resources ("IDWR") is not signed.

Currently, there is a status conference set for this matter on January 13, 2009. Although a hearing has not been set for the *Motion to File Amended Claim*, a signed *Amended Notice of Claim* is required for the Court's consideration and for IDWR to proceed in its investigation of the claim if the motion is granted.

I wanted to bring this to the attention of you and the parties to avoid any potential issues as we move forward with this subcase.

Sincerely,

A handwritten signature in black ink that reads "Nick Spencer".

Nicholas B. Spencer
Deputy Attorney General, IDWR
