Re: Subcase Nos. 67-309, 67-4148, 67-14959

Dear Clerk:

Enclosed for filing please find the SF5s for subcase numbers 67-309 and 67-4148. Subcase 67-14959 is a late claim in which objections are not due until January 19, 2009 and is simply referenced because it is an overlapping water right with subcase numbers 67-309 and 67-4148.

You will note that subcase number 67-309 was partially decreed on October 20, 2008. However, upon review of that the decree, Water Right Supervisor, Craig Saxton, noticed that a limiting remark was omitted from the original recommendation. Mr. Saxton has since added that remark to the recommendation and the claimant, Ms. Sandra James, has signed off on the inclusion of that remark.

The Department asserts that this was a clerical error and would like the remark added to the partial decree for water right 67-309 pursuant to rule 60(a).

Should you have any questions please contact me at (208) 287-4814 or Mr. Saxton at (208)287-4916.

Sincerely,

Renea Ridgeway
