RE: Transfer #74741 for water right(s) 74-38, 74-996 and 74-15212
and Notice of Completed Administrative Proceeding (NCAP)

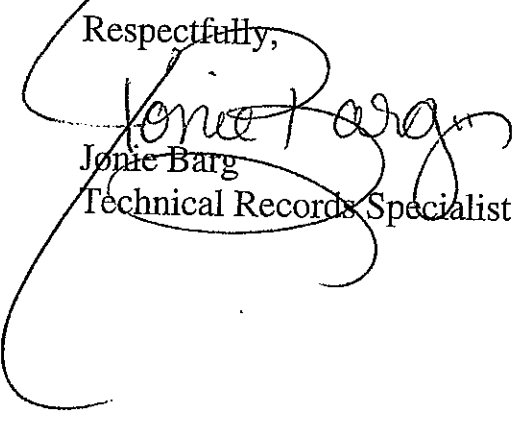

Dear Mr. Sir/Madam:

On January 9, 2009 the Idaho Department of Water Resources (IDWR) approved Transfer #74741, modifying the above referenced water right. Based on this transfer, IDWR water right records for the Snake River Basin Adjudication (SRBA) have been updated.

Furthermore, as directed by the SRBA Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of the water right(s) as recorded in the SRBA.

Please feel free to contact me if you have any questions concerning this matter.

Respectfully,

Jonie Barg

Technical Records Specialist
