Case No. 39576

NOTICE OF HEARING ON STATUS OF
LICENSURE PROCEEDINGS

For Water Right claims: 67-07685 and 67-
07726

The above-captioned water right claims are based on a permit prior to the issuance of the license. The recommendation in the *Director's Report and Special Master's Recommendation* included the following condition:

This right is conditioned upon completion of the appropriation in accordance with the statutory procedure for appropriation of water rights. This right remains subject to all conditions set forth in the permit upon which the right is based, and will be subject to all conditions set forth in the license issued by IDWR upon completion of the statutory appropriation process.

In order to avoid any potential inconsistencies between the partial decree and a subsequently issued license, the practice of the Court has been to temporarily withhold the issuance of the partial decree until after the license is issued.

Therefore, IT IS ORDERED that a hearing will be held on this matter on **Tuesday, May 19, 2009 at 1:30 p.m. (Mountain Time)** at the Snake River Basin Adjudication District Court, 253 3rd Avenue North, Twin Falls, Idaho for purposes of determining an estimated time on the issuance of the license. Telephone participation will be available by calling **1-918-583-3445** and entering **406128** when prompted.

DATED: January 13, 2009

JOHN M. MELANSON
