IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA

Case No. 39576

NOTICE OF HEARING ON STATUS OF
LICENSURE PROCEEDINGS

For Water Right claims: 67-07878 and 67-
02385

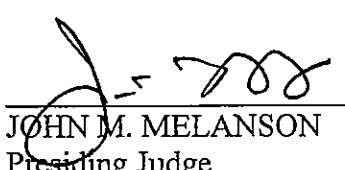

The above-captioned water right claims are uncontested overlapping claims. A license has been issued for water right claim number 67-02385. However, water right claim number 67-07878 is based on a permit prior to the issuance of the license. The recommendation in the *Director's Report and Special Master's Recommendation* included the following condition:

This right is conditioned upon completion of the appropriation in accordance with the statutory procedure for appropriation of water rights. This right remains subject to all conditions set forth in the permit upon which the right is based, and will be subject to all conditions set forth in the license issued by IDWR upon completion of the statutory appropriation process.

In order to avoid any potential inconsistencies between partial decrees and subsequently issued licenses, the practice of this Court has been to temporarily withhold the issuance of partial decrees for overlapping claims until after licenses are issued for both rights.

Therefore, IT IS ORDERED that a hearing will be held on this matter on **Tuesday, May 19, 2009 at 1:30 p.m. (Mountain Time)** at the Snake River Basin Adjudication District Court, 253 3rd Avenue North, Twin Falls, Idaho for purposes of determining an estimated time on the issuance of the license for water right 67-07878. Telephone participation will be available by calling 1-918-583-3445 and entering 406128 when prompted.
