Borrower: PATRICK HALSETH
LA DONNA KAY COYE
2215 SHILLING LOOP
POST FALLS, ID 83854

Lender: First Interstate Bank of Idaho, N.A.
Post Falls - Financial Service Center
P.O. Box 5509
Boise, ID 83705

Principal Amount: \$2,584.00

Interest Rate: 15.000%

Date of Note: May 14, 1990

PROMISE TO PAY. I promise to pay to First Interstate Bank of Idaho, N.A. ("Lender"), or order, in lawful money of the United States of America, the principal amount of Two Thousand Five Hundred Eighty Four & 00/100 Dollars (\$2,584.00), together with interest at the rate of 15.000% per annum on the unpaid principal balance from May 14, 1990, until paid in full.

PAYMENT. I will pay this loan in 36 payments of \$90.02 each. My first payment is due June 25, 1990, and all subsequent payments are due on the same day of each month after that. My final payment will be due on May 25, 1993, and will be for all principal and all accrued interest not yet paid. Payments include principal and interest. Interest on this Note is computed on a 365/365 simple interest basis; that is, by applying the ratio of the annual interest rate over the number of days in a year, times the outstanding principal balance, times the actual number of days the principal balance is outstanding. I will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing. Unless otherwise agreed or required by applicable law, payments will be applied first to accrued unpaid interest, then to principal, and any remaining amount to any unpaid collection costs and late charges.

PREPAYMENT; MINIMUM FINANCE CHARGE. I agree that all loan fees and other prepaid finance charges are earned fully as of the date of the loan and will not be subject to refund upon early payment (whether voluntary or as a result of default), except as otherwise required by law. In any event, even upon full prepayment of this Note, I understand that Lender is entitled to a minimum finance charge of \$7.50. Other than my obligation to pay any minimum finance charge, I may pay without penalty all or a portion of the amount owed earlier than it is due.

DEFAULT. I will be in default if any of the following happens: (a) **Payment Default.** I fail to make a payment as required by this Note. (b) **Other Defaults.** The prospect of payment, performance, or realization of any collateral for this loan is significantly impaired.

LENDER'S RIGHTS. Lender may do any of the following, in addition to any other rights Lender has, if I am in default: (a) Lender may, subject to any cure and notice provisions of the Idaho Credit Code, declare my entire loan immediately due, without notice. I will then pay Lender the unpaid part of the Principal Amount, any interest that is earned but unpaid, and any reasonable collection costs. (b) If Lender declares my entire loan immediately due after a default, or upon final maturity, then the total sum due under this Note will bear interest from the date of acceleration or maturity at the interest rate on this Note. (c) Lender may hire or pay someone else who is not a salaried employee of Lender to help collect my loan if I do not pay. I also will pay Lender that amount. This includes, subject to any limits under the Idaho Credit Code, Lender's reasonable attorneys' fees and legal expenses, whether or not there is a lawsuit, including without limitation all reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. If not prohibited by applicable law, I also will pay any court costs, in addition to all other sums provided by law. This Note has been delivered to Lender and accepted by Lender in the State of Idaho. If there is a lawsuit, I agree upon Lender's request to submit to the jurisdiction of the courts of Kootenai County, the State of Idaho. This Note shall be governed by and construed in accordance with the laws of the State of Idaho.

DISHONORED ITEM FEE. I will pay a fee to Lender of \$9.50 if I make a payment on my loan and the check or preauthorized charge with which I pay is later dishonored.

RIGHT OF SETOFF. I grant to Lender a contractual possessory security interest in, and hereby assign, convey, deliver, pledge, and transfer to Lender all my right, title and interest in and to, my accounts with Lender (whether checking, savings, or some other account), including without limitation all accounts held jointly with someone else and all accounts I may open in the future, excluding however all IRA, Keogh, and trust accounts. I authorize Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on this Note against any and all such accounts.

COLLATERAL. To the extent collateral previously has been given to Lender by any person which may secure this loan, whether directly or indirectly, it is specifically agreed that all such collateral consisting of household goods will not secure this loan. In addition, if any collateral requires the giving of a right of rescission under Truth In Lending for this loan, such collateral also will not secure this loan unless all required notices of that right have been given.

SKIP A PAYMENT. I have the option to postpone one installment for each twelve-month period (or fractional part thereof) during my loan term after I have made on time payments for twelve consecutive months. To qualify I will timely send in a payment postponement coupon from my payment book along with a \$10 processing fee, instead of my regular installment. Interest on the unpaid balance will continue to accrue, and I agree to pay the interest which accrues during the postponement period. This "Skip-A-Payment" option is subject to Bank approval. If your loan is insured with Credit Life and/or Disability Insurance, the original premium(s) charged provide(s) coverage for the original schedule of indebtedness only.

GENERAL PROVISIONS. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. I and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, protest and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may renew, extend (repeatedly and for any length of time) or modify this loan, or release any party or guarantor; impair, fail to realize upon or perfect Lender's security interest in the collateral; and take any other action deemed necessary by Lender without the consent of or notice to anyone. The obligations under this Note are joint and several. This means that the words "I", "me", and "my" mean each and all of the persons signing below.

PRIOR TO SIGNING THIS NOTE, I, AND EACH OF US, READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS NOTE AND THE NOTICE TO COSIGNER SET FORTH BELOW. I, AND EACH OF US, AGREE TO THE TERMS OF THE NOTE AND ACKNOWLEDGE RECEIPT OF A COMPLETED COPY OF THE NOTE.
