RE: Snake River Basin Adjudication (SRBA) recommendations 36-16490 (and 36-16491)

Dear Mr. Earle,

Per our telephone conversation on November 20, 2008, I am enclosing an objection form along with instructions. You will need to file the objection by January 29, 2009. Once your objection is filed, we should be able to amend the claimed acreage under 36-16490 to what you feel more accurately describes the historical irrigation of the property.

I did want to explain that according to a letter submitted by J. Dee May, attorney for Paul Wilson on July 2, 2008, the water use claimed under 36-16491 was the same use claimed under 36-16490. In essence, it was a duplicate claim. That is why it was recommended as disallowed with the remarks explaining it was recommended as 36-16490. I have enclosed a copy of that letter for your review.

Please feel free to contact me at 208/287-4916 if you have any questions.

Respectfully submitted,
