RE: 95-10052

Dear Mr. Cardwell:

We are returning your claim. The amount of water that you are using from the spring in cubic feet per second or in gallons per minute needs to be filled completed in item #6. Would you please indicate the month and day the use starts and ends in the same item?

Please return the claim file at your convenience.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ken Knoblock', written over a horizontal line.
