RE: 95-10066

Dear Mr. Streeter:

You submitted an Adjudication Claim in person on January 23, 2009. You mentioned that you were irrigating between $\frac{1}{2}$ and 1 acre adjacent to your home. In reviewing your claim it appears that the irrigation is between 7 and 9 acres. A map showing the area outlined in black is enclosed for your reference. A different process is required to irrigate this much land.

Please give me a call.

Sincerely,

A handwritten signature in black ink, appearing to read 'Knoblock', written over a horizontal line.
