CHARLES G. BROCKWAY, first being duly sworn, deposes and says as follows:

1. I am a licensed Professional Engineer within the state of Idaho.
2. Brockway Engineering, PLLC, an engineering firm of which I am a member, has been hired by Harry S. Rinker, Claimant, to provide various consulting and technical services with regard to his water rights in Basin 37 and elsewhere.
3. No objection to the recommended disallowance of Water Right No. 37-00899B, was originally filed for the reason that it was originally believed that this right was replaced

EXHIBIT

B

and/or included in other water rights involved in Water Transfer Nos. 69269 and 69271, approved during the year 2005.

4. Subsequent to the initial period for filing objections to the recommendation for this right it was discovered that the rights were not included in Water Transfer Nos. 69269 and 69271, and that the original right from which the right identified in this motion is derived, was identified as a "saved and developed" right "independent and perpetual... and independent of and prior to all other rights on Big Wood River, save and except similar saved and developed water rights" by the Decree entered in the matter of *Barker vs. Coffin*, in the District Court of the Fourth Judicial District of the State of Idaho, in and for the County of Lincoln, which Decree is dated August 22nd, 1951. A copy of that Decree is attached hereto as EXHIBIT A.

5. The recommended disallowance of Water Right Nos. 37-00899B did not take into account the status of this right as a "saved and developed" right with its resulting independence and priority, which status was unknown to the Claimant at the time permitted for objection to the recommendation expired.

FURTHER YOUR AFFIANT SAYETH NAUGHT.

DATED this ____ day of October, 2008.

CHARLES G. BROCKWAY

SUBSCRIBED AND SWORN to before me this 24th day of October, 2008.

The above cause came on regularly for hearing before the
above court, sitting in regular session at Shoshone, in Lincoln
County, Idaho, on the 11th day of May, 1951, at 2:00 o'clock P.M.,
the plaintiffs appearing in person and by their attorneys, James,
Shaw & James, and the defendant appearing not at all. It appear-
ed further that the default of said defendant for his failure
to plead had been duly entered by the clerk, also that the plain-
tiffs had duly and regularly caused to be published for four
successive weeks in the Hailey Times, a weekly newspaper publish-
ed at Hailey, in Blaine County, Idaho, a notice of the pendency
and the purpose of this action, which said newspaper had been
theretofore designated by this court to make such publication,
which notice contained the title of the court and cause, the name
of the stream, in the waters of which plaintiffs claim an interest
namely, Big Wood River, the date of priority claimed by plaintiffs
and the date and title of the decree theretofore entered fixing
the permanent rights in said stream. It appeared further that
no interested party or any party had appeared in said cause or
