OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

An easement or right of way agreement providing for access to the drain by its owner and those responsible for maintaining it - and/or for access to the drain by the appropriator to divert water pursuant to this right - must be executed among the appropriator, the owner of the drain, and, if appropriate, those responsible for maintaining the drain. Failure to execute such an agreement will constitute grounds for legal action to prevent water from being diverted under this right.

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.
