Re: Subcase Nos.: 02-2091

Dear Mr. & Mrs. Gingerich:

It certainly was a pleasure meeting you yesterday. The seven recommendations for Gingerich Farms have been forwarded to BLM with the request that they sign and file those with the Court. I will be watching the progress and will ask the Court to vacate the hearing once I see that the documents have been filed.

Enclosed please find the original document entitled "Standard Form 5 - Stipulated Elements of a Water Right" (commonly referred to as SF 5) for the above referenced subcase no. for Basin 02.

Please review the recommendations. As you can see the addresses were corrected and the proper names are included. If all the information is correct, please sign and date the first page of the original and initial the pages entitled "Recommendation of Water Rights Acquired Under State Law." In the interest of saving some time, would you be so kind as to have Mr. Shetler sign the enclosed documents as well? After the documents have been signed and initialed, **please return the documents to our office in the self addressed stamped envelope** provided for your convenience. Our office will gather the remaining signatures and make sure the documents are subsequently filed with the Court.

If you have any questions regarding this process or the enclosed documents please do not hesitate to call me at 287-4814.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Renea Ridgeway".
