Dear Special Master Dolan,

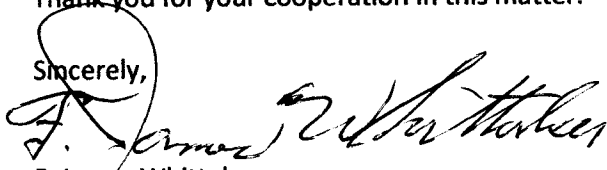

On reviewing some of our water rights, (74-340A, 74-340B, 74-1829 & 74-15656) I noticed that the Point of Diversion had been incorrectly listed as, the SENE, instead of the NENW of Sec 8, T15N, R25E.

As these rights have already been decreed, please set them aside so the Point of Diversion can be corrected.

I am enclosing information from the Idaho Department of Water Resources, agreeing that there is an error and copies of the decrees with the error underlined.

Thank you for your cooperation in this matter.

Sincerely,

F. James Whittaker

LEADORE, ID 83464

Dear Mr. Whittaker,

I'm writing this letter in response to our conversation this morning. It appears you are correct the legal description for the point of diversion is incorrect for water rights 74-340A, 74-340B, 74-1829 & 74-15656 it should be the NENW sec. 8 T 15N R25E. These water rights were decreed by the SRBA court on September 19, 2008. I do not have the authority to change a court decree. As a result I suggest writing a letter to Special Master Dolan requesting to set aside these partial decrees for the purpose of correcting the point of diversion, at the address below:
