Come now the State of Idaho and Idaho Power Company by and through their respective counsel of record and hereby request that this Court delay any issuance of its decision on the parties' pending Motions for Partial Summary Judgment so that the parties will have additional time to negotiate a resolution to this matter. The State of Idaho and Idaho Power Company believe that negotiations resolving this matter can be concluded within two weeks and ask this Court to delay its decision on the pending

motions until some time after the parties have had an opportunity to advise the Court regarding the progress of those negotiations at a status conference to be set by the Court. The Upper Snake Water Users and the City of Pocatello have advised the State of Idaho that they are not opposed to this motion.

Respectfully submitted this 17 day of February, 2009.
