RE: Transfer #74834 22-13812 (water right 22-13855 and 22-13857)
and Notice of Completed Administrative Proceeding (NCAP)

Dear Sir/Madam:

On September 18, 2008, the Idaho Department of Water Resources (IDWR) approved Transfer #74834, modifying a portion of the above referenced water right(s). Based on this transfer, IDWR water right records for the Snake River Basin Adjudication (SRBA) have been updated with new water right numbers reflecting the division of the water right.

Furthermore, as directed by the SRBA Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of the water right(s) as recorded in the SRBA.

Please feel free to contact me if you have any questions concerning this matter.

Respectfully,

Jonie Barg
Technical Records Specialist
