EXPLANATORY MATERIAL: BASIS OF CLAIM - Decreed

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 37.

Use of this right is combined with water from Base Line Canal Co.

Prior to diversion of water under this approval, the right holder shall provide a means of measurement and lockable controlling works for all authorized points of diversion and redirection. The means of measurement and controlling works must be suitable for control of the diversions and acceptable to the watermaster.

The right holder shall accomplish the change authorized by this transfer within one (1) year of the date of this approval.
