CHARLES L. HONSINGER, being first duly sworn upon his oath, deposes and says that:

1. I make this affidavit based upon my own personal knowledge and belief of the facts contained herein.
2. I am the attorney of record in the Snake River Basin Adjudication for the City of Caldwell, and have been since the City's groundwater rights have been recommended by the Idaho Department of Water Resources.
3. I have been engaging with the Idaho Department of Water Resources on behalf of the City of Caldwell in an effort to resolve Caldwell's objections to the water rights that are the subject of this Affidavit. Such objections were directed at confusing language regarding the multiple points of diversion for the water rights.

4. During the negotiations with the Idaho Department of Water Resources, IDWR Technical Section Manager Carter Fritschle mentioned to me that according to his analysis, the City of Caldwell had underclaimed its water rights. This was the first time during my representation of the City that it had heard of any such information.

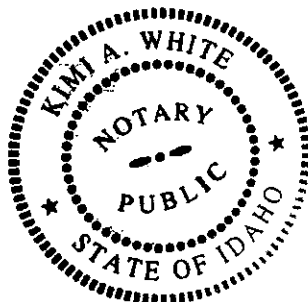

Further your affiant sayeth naught.
